**BUILDING STRONGER MINDS, ONE DEBATE AT A TIME**

# LIFE ALLIANCE

## HOW IT WORKS

### Daily Debate Topic

- Every day, our Discord bot (Spectra) posts a debate prompt in the #debate-me channel.
- Example: "Xelor Fire/Water has always been stronger than Agility Xelor. Debate me."
- Topics will always be related to the game.
- Member Participation
- Members are free to reply with their opinions.
- Each person should explain their reasoning, share experiences, or use examples from the game.
- Debates last until the next topic is posted.

## WHY ARE WE DOING THIS?

- Create a space for serious, respectful discussions about Dofus Touch.
- Strengthen alliance bonds through knowledge sharing.
- Encourage members to look at the game from different angles (PvP, PvM, economy, classes, strategy).
- Promote intellectual conversations that help everyone grow.

## SPIRIT OF DEBATE ME

There are no **winners** or **losers**.

The goal is not to prove someone wrong, but to:

- Spread knowledge across the alliance.
- Help newer players learn from veterans.
- Open people’s minds to strategies they hadn’t considered.
- Create a culture of respectful discussion in our community.
