BUILDING STRONGER BONDS, ONE DRAW AT A TIME

LIFE ALLIANCE

WELCOME TO THE LIFE ALLIANCE WEEKLY LOTTERY

We are launching a new weekly lottery designed to:

- Bring all alliance members into one central Discord server.
- Improve communication and teamwork.
- Create a fun way to break the ice and strengthen bonds between our guild Members .
- Prepare us for bigger future events together.

WHY ARE WE DOING THIS?

We received feedback from the survey, and a few people suggested that a Lottery would be nice, so we decided to start with that. All feedback will be addressed we just need some time to prepare and organize everything. So, if you haven't participated in the survey yet, please do. Your opinions really matter.

- The more members of your guild who join Discord and react, the higher your guild's chance to win.

- The draw is weighted by member participation.
- Each member = 1 ticket.
- A guild's chance = (# of members who reacted) ÷ (total participants).
- The bot runs the draw live and posts the winner in the channel.
- Results are logged in a dedicated #lottery-logs channel for full transparency.

WHY DO YOU NEED YOUR GUILDMATES WITH YOU ON SERVER?

- Only Discord members who react to the bot's post can enter.
- If your guild doesn't join Discord, your guild's chance is 0%.
- The more members of your guild that participate, the higher your guild's probability of streaks and big jackpots.
- This ensures that the entire alliance is united in one place.
- The more members of your guild who join Discord and react, the higher your guild's chance to win.
